### Architect and Engineering Services

#### Invitations for Architectural / Engineering, Land Surveying & Construction Management Services

[Click Here](#) to access the SCBO Notes referred to in State Agency advertisements appearing in the Architect / Engineering Section of SCBO Please verify requirements for non-State agency advertisements by contacting the agency / owner.

**Project Name:** COLLETON COUNTY ENGINEERING SERVICES

**Project Number:** CC-20

**Project Location:** Colleton County

**Description of Project:** Colleton County is requesting engineering support from qualified engineering firms (Consultants) in order to meet the engineering requirements for the development of various projects, unanticipated emergencies, and/or other essential requirements. The County will retain qualified Consultants to enhance Colleton County's ability to provide the necessary engineering services and comply with South Carolina State and/or Federal laws and regulations governing the programs under which projects are developed. The contract will be in effect for a period of two (2) years.

**Description of Professional Services Anticipated for Project:** Water Resources, Transportation and Highway, Structural, Traffic and Construction Engineering. Also, National Resources Mgmt., Real Property Acquisition, Land & Geodetic Surveying and Construction Inspection.

**All Written Communications With Parties Submitting Information:** Will be via email.

**Resume Deadline Date:** 12/15/2015

**Time:** 11:00am

**Number of Copies:** Four. Agency will not accept submittals via email.

**Agency:** Colleton County

**Agency Project Coordinator:** John T. Stieglitz, III

**Title:** Capital Projects & Purchasing Director

**Address:** 113 Mable T. Willis Blvd., Walterboro, SC 29488

**E-mail:** [jstieglitz@colletoncounty.org](mailto:jstieglitz@colletoncounty.org)

**Telephone:** 843-539-1968

## Construction

### Invitations for Construction Bids

Please verify requirements for non-State agency advertisements by contacting the agency / owner. Projects expected to cost less than \$50,000 are listed under the Minor Construction heading.

#### CONSTRUCTION MANAGER AT RISK SERVICES

#### PHYSICAL PLANT RENOVATION -- COLLEGE OF CHARLESTON, CHARLESTON, SC

#### STATE PROJECT H15-9656-PG

College of Charleston desires to obtain the services of a Construction Manager at Risk (CM@R) to provide pre-construction and construction management services for the above referenced project. The project requires coordination, expertise and collaboration with the design and historic construction team. The CM @R contractor and subs will need to have experience in the renovation of historical building.

The College of Charleston Physical Plant is located at 133 Calhoun St. The site is in the heart of the CofC campus, in a nationally recognized city historic district. The Physical Plant consists of approximately 22,339 square feet. The building is landlocked and has no room for growth or expansion. The site has very little yard or open space, and is constrained by the close proximity of other buildings.

**The building will be fully occupied during the full renovation.**

The Physical Plant renovation drawings were designed under the Standard Building Code. The building does not meet current design standards and other space requirements such as ADA (Handicap Accessibility).

The proposed scope of work includes renovating the interior of the existing building with the intent of achieving the most efficient office layout within the existing building footprint.

The Architectural and engineering renovation design is being executed by AJ Architects (and their respective engineering consultants) Charleston, SC office.

The College of Charleston intends to engage the successful construction management firm for preconstruction services and the construction phase in order to meet the construction schedule and to construct this project within a limited budget. Preconstruction services are expected to begin in the winter of 2016. Demolition and site work is expected to start by spring 2016 with construction renovation beginning in the late spring /early summer 2016.

Construction is scheduled to be completed no later than September 2017, with occupancy. The construction budget for the project is in the range of \$ 1-2 million.

The College of Charleston embraces diversity in all aspects, including the use of minority businesses, vendors, or contractors in construction projects. The selected CM@R firm will be required to develop a detailed plan to meet the owner's goal of double digit minority business participation.

The College intends to award the contract using a competitive negotiation process as authorized by Section 11-35-3015 of the South Carolina Code of Laws, as amended. The Request for Qualifications (RFQ) is the first step in the competitive selection process. The second step includes a Request for Proposals (RFP) and an interview process. A detailed description of the process is included in the RFQ package.

Interested parties may obtain a copy of the RFQ and current design at the following website to review the specific submittal requirements and submittal format:

College of Charleston, Physical Plant 133 Calhoun St. Charleston, SC via email request to Kevin McCray, at [mccrayk@cofc.edu](mailto:mccrayk@cofc.edu).

Location: College of Charleston  
Physical Plant, Conference Room 209  
133 Calhoun Street  
Charleston, SC 29403

College of Charleston's designated representative for this project is:

Kevin McCray,  
College of Charleston  
Physical Plant  
133 Calhoun Street  
Charleston, SC 29403

Email: [mccrayk@cofc.edu](mailto:mccrayk@cofc.edu)

Phone: 843-953-8262

Fax: 843-953-5884

**Potential candidates must deliver their qualification package to the office listed below no later than November 30, 2015 at 3:30pm.**

A non-mandatory, pre-proposal conference will be held for the step two RFP phase only:

Date: 12/7/2015

Time: 1:30pm

The College reserves the right to reject any and all statements of qualifications, as well as to waive technicalities and informalities.

College of Charleston  
Physical Plant  
133 Calhoun Street  
Charleston, SC 29401  
Attn: Kevin McCray Project Manager

**Project Name:** AIRPORT HANGAR AT LOWCOUNTRY REGIONAL AIRPORT

**Project Number:** CC-21

**Project Location:** 537 Aviation Way, Walterboro, SC 29488

**Bid Security Required:** No **Performance Bond Required:** No **Payment Bond Required:** No

**Description of Project:** The project consists of constructing a 7,500 sf (75' x 100') airplane hangar at the Lowcountry Regional Airport. The hangar will be located adjacent to the tarmac approximately 40' offset from the most northeastern-most existing hangar. See included site plan. The building will be a prefabricated steel shell building with a poured concrete floor. Utilities will be brought up to the building, but interior buildout of the hangar will not be included as part of this project. The hangar will be an American Buildings Company building with an accordion FoldTite door (17'x 65') that will be provided by the owner. The contractor will be responsible for the erection of the building and installation of the door

## SCBO NOTICES

### *DID YOU KNOW...?*

South Carolina Business Opportunities (SCBO) is a daily publication that lists proposed procurements involving goods, services, information technology and construction. According to the South Carolina State Procurement Code, solicitations by South Carolina State Government Agencies that are worth at or above \$10,000 in estimated or actual value must appear in SCBO. Other governmental entities, such as cities, counties and school districts can voluntarily advertise in SCBO. Private entities, such as construction companies (including CM-Rs), are not permitted to advertise in SCBO.

---

### **JOB OPPORTUNITIES AT SFAA**

The State Fiscal Accountability Authority's procurement division is looking for experienced professionals. Please read more about these opportunities below:

[Click Here for Job Opportunities with the Division of Procurement Services](#)

---

### **VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS**

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
